 - Session 1 : 01 June – 13 June
 - Session 2: 15 June – 26 June
 - Details will be shared soon

Message from the Head of School

Dear NYA Parents and Community,

Here we are, the final weeks of the semester and year at New York Academy. I am incredibly proud of how our students and staff are still fully committed to finishing the year with a view to doing their best. You will see in the classrooms, our students completing their curriculum as well as preparing for our much-anticipated Annual Day in just a few weeks' time.

Our younger learners have been particularly busy, with Pre K4 A exploring afforestation and the PT and Nursery students at the Ministry of Kids. We also celebrate the curiosity shown during Pre K4 B's enriching visit to the Coforge Public Library and Grade 1's deep dive into the art of storytelling.

I want to extend my heartfelt thanks to our students, faculty, and families for a truly memorable school year. Together, we have fostered a community of growth, resilience, and academic excellence. I wish you all a safe and refreshing summer break and an exciting 2026-27.

Respectfully yours,
Anthony Millward

From the desk of VICE PRINCIPAL

Dear NYA families,

Greetings!

As we bid farewell to another enriching academic year, our hearts overflow with gratitude for the shared journey of growth, discovery, and joy. The highlight of these final weeks has been the magnificent preparations for Annual Day, where students from every grade have shone brightly through their rehearsals, creativity, and unwavering enthusiasm. Rehearsals have transformed classrooms into vibrant stages, fostering teamwork, confidence, and artistic expression. We eagerly await this grand celebration that will showcase our children's remarkable talents and the spirit of NYA. Thank you to our dedicated teachers, supportive parents, and brilliant students for making this year truly memorable!

Meet you in the next newsletter!

Warm regards,
Himabindu Ogirala

Pre K 4 A Update

CLASSROOM UPDATES

Growing little forests and greener futures together!

The children learned about afforestation by creating their own forest with trees they made themselves. Over the past few weeks, they enjoyed watching their forest grow lush and green as they continued planting more trees.

Through this activity, they understood the importance of planting trees and learned how trees help our environment by providing fresh air, shade, and a home for living things.

Parent Toddler Update

FIELD TRIP UPDATES

Play, laughter, and happy memories all in one day!

Today, the children had a joyful time at the Ministry of Kids play area, filled with laughter, fun, and exciting activities. From games to interactive play, every moment encouraged friendship, creativity, and confidence. It was wonderful to see the kids learn, explore, and make happy memories together. A day full of smiles, energy, and endless fun!

Nursery B Update

FIELD TRIP UPDATES

A Fun-Filled Day at the Ministry of Kids!

Our Nursery little learners had an exciting time exploring the indoor play area at Ministry of Kids today! From climbing and sliding to jumping and imaginative play, the children enjoyed every moment with big smiles and lots of laughter.

The fun activities helped our tiny tots build confidence, improve coordination, and develop social skills through play and interaction with friends. It was wonderful to see their energy, excitement, and joyful teamwork throughout the day!

Learning through play makes every experience extra special!

Pre K 4 B Update

FIELD TRIP UPDATES

Coforge Public Library Visit

Our young learners had a wonderful and enriching experience during their visit to The Coforge Public Library. The trip was a perfect opportunity for students to explore the world of books, stories, and imagination in a vibrant and engaging environment.

The children were warmly welcomed by the library staff and participated enthusiastically in an interactive storytelling session. They listened attentively, answered questions, and shared their thoughts with great excitement. The visit encouraged students to develop a love for reading while also enhancing their listening and communication skills.

Students explored different sections of the library and observed a variety of colorful books designed for young readers. The thoughtfully designed reading spaces and child-friendly atmosphere made the experience both enjoyable and memorable.

The visit was a meaningful extension of classroom learning and helped students understand the importance of libraries as places for learning, creativity, and discovery. We are proud of our students for displaying excellent behavior, curiosity, and enthusiasm throughout the trip.

Grade 1 Update

CLASSROOM UPDATES

Bringing stories to life through meaningful experiences!

Our Grade 1 learners had a delightful experience during a special guest session led by Ms. Digwija, a Grade 1 parent. The session was meaningfully linked to their ongoing Thematic Unit on how stories engage an audience and communicate meaning.

Learners explored why stories are told, how they are created and shared, and the emotions they can evoke. Through interactive discussions, they listened attentively, reflected on ideas, and expressed their thoughts with growing confidence.

The experience was rich with imagination, meaningful conversations, and joyful learning moments, helping to nurture empathy and a deeper appreciation for storytelling.

It was truly heartening to see our young learners thinking, expressing, and learning with such enthusiasm!

**Unfolding the joy of storytelling through meaningful experiences!**

Our Grade 1 learners are exploring key story elements using *The Three Little Pigs* and *The Rainbow Fish* as inspiration. They are identifying characters, setting, plot, theme, title, problem, solution, and sequence, while understanding how these elements work together to create meaning. Learners are also reflecting on the emotions these stories evoke—such as excitement, fear, and happiness—and are expressing their ideas with growing confidence.

It is wonderful to see their imagination flourish as they build a deeper connection with stories!

THANK YOU!
